SUBJECT: DEMARCHE DELIVERED: UN CORRUPTION AND CRIME
CONVENTIONS

REF: STATE 43557

1. Guyana: Charge raised the UNCAC and UNTOC April 19 with MFA Director General Elisabeth Harper and MFA Acting Director for Americas and Asia Audrey Wadell. Harper said the Cabinet sub-committee on governance discussed the UNCAC the week before. Wadell was aware of the UNTOC questionnaires and said the MFA is trying to trace them. She had not been able to determine whether the GoG had received the questionnaires and is considering asking the UNODC to resend them. After receiving the questionnaires, Harper and Wadell will consider the offer of assistance in completing them.

2. CARICOM: DCM raised the UNCAC and UNTOC April 24 with CARICOM Assistant Secretary General Colin Granderson who said CARICOM would pass the points along to member states.
